We can cook the tricky stuff (meats, beans, rice) and sell by the order/pound for your event. You can gather and supply the easy stuff (shredded cheese, sour cream, tortillas) to fill in the buffet. These prices are very subject to change with the market but typically we charge 3 times what we pay for the raw product. I am happy to be transparent with all pricing.

All items will be packaged in disposable aluminum or plastic. Hot food will stay hot/warm depending on ambient temperature for 30-90 minutes IF KEPT CLOSED. Our recommendation is to open the lids just before your guests will come through the food line to serve themselves.

WE CAN HELP STOCK THE BAR, TOO!

Baja has an ABC Off license that allows us to sell wine/beer/kegs to go. We sell these for cost +20% which should save you about 20% off grocery pricing.
